Q53 Baby Log Cabin Variation

Photos by Kris Waldman Design

Date Completed: 3-25-12

Size: 41" x 42" Incl. Hanging Sleeve

This is a variation on a Log Cabin design. The squares are color gradient strips with a constant strip running through all the squares. This was the second of a series of two quilts. The first (Q52) was a gift and I decided to sell a similar one. This would make a great baby quilt.
